

# 2012 Grasslands Organic Cabernet Sauvignon Syrah

---

Big, age-worthy, organic red. Every bottle sold helps support Robert Bateman's pro-nature initiatives.

## **Winemaker's Notes**

Selected barrels of Cabernet Sauvignon (70%) and Syrah (30%) aged 16 months in French and American oak contribute structure and elegance.

Notes of blackcurrant and blackberry on the nose, with cherry, plum and mocha on the palate. Exceptionally well balanced with smooth, firm tannins and a long finish.

Age worthy, or can be enjoyed today after decanting.

## **Artwork Notes**

The art for this label is Long-Billed Curlew (2013) by Robert Bateman. This endangered species is in decline across North America.

## **Technical Notes**

Total Acidity: 6.6 g/L  
Residual Sugar: 0.8 g/L  
pH: 3.64  
Alcohol: 13%
