2020 Organic Cabernet Franc

VARIETY

100% Organic Cabernet Franc

APPELLATION

Okanagan Valley BC VQA

VITICULTURE

Organic grapes were hand harvested from Esther Vineyard (Kaleden, BC) and Sekhon Vineyard (Osoyoos, BC). South Okanagan soils rich with silt and glacial rock provide an exceptional site for Cabernet Franc. 2020 was a moderately cool growing season, yielding red wines of balance and freshness.

VINIFICATION

The wine fermented in a 10,000L oak foudre. It was then racked into neutral oak barriques where it rested for 17 months before bottling.

TASTING NOTE

Velvety, fresh and characterful. This classic Cabernet Franc gives ripe, zesty notes of black plum, capsicum, red raspberry with a hint of crushed gravel minerality. Amidst the intensely concentrated fruit flavours, savoury notes of graphite and sage intrigue the palate. Pillowly and soft on the palate, while bright acidity and ripe tannins lead to a rounded finish with notes of tart red fruit lingering.

PAIRING SUGGESTION

Try with roasted chicken, smoky sausages or aged cheeses.

RS: 0.4 g/l
TA: 5.5 g/l
pH: 3.79
