

2022 Estate Grown Biodynamic Grüner Veltliner

VARIETY

100% Organic and Biodynamic certified Grüner Veltliner

APPELLATION

Summerhill Vineyard, Kelowna. Okanagan Valley BC VQA

VITICULTURE

2022 was a cooler growing season in the Okanagan Valley. Grapes were harvested from Grüner Veltliner vines planted in 2011 on our Demeter certified estate vineyard in Kelowna, BC.

VINIFICATION

Fruit was hand harvested from Summerhill Vineyard. It was then destemmed, crushed, and left to soak on its skins for 12 hours with no temperature control. Based on Biodynamic principles, this wine fermented naturally with ambient farm yeasts in a stainless-steel vessel.

TASTING NOTE

Fresh quince leads the nose while celery lead and floral notes shine through. The palate has a creamy softness with hints of sweetness and yellow apple that transition to a zesty white pepper finish. Finishes balanced and clean.

PAIRING SUGGESTION

A juicy, aromatic white wine for richly flavoured foods. Try with miso dressings, pesto chicken, or something as simple as sour cream and onion potato chips!
